

femus::elem_type

```
graph BT; A[femus::elem_type_1D] --> B[femus::elem_type]
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a box labeled 'femus::elem_type_1D' with a light gray background. A vertical blue arrow points upwards from this box to a box labeled 'femus::elem_type' at the top, which has a white background. Both boxes have a black border.

femus::elem_type_1D
