

femus::elem_type

```
graph BT; A[femus::elem_type_3D] --> B[femus::elem_type]
```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a gray-shaded box labeled 'femus::elem_type_3D'. A vertical blue arrow points upwards from this box to a white box at the top labeled 'femus::elem_type'. Both boxes have a black border.

femus::elem_type_3D
